## Q's & A's

**Q Do I need a sticker to use the landfill or convenience centers?**

**A** Yes. A Residential Disposal Permit Sticker is needed. A simple application must be filled out at any of our facilities; vehicle registration and/or proof of residency required.

**Q Do I have to pay to use the Convenience Centers?**

**A** No. Residents can throw away the equivalent of up to four (4) - 35 gallon containers of solid waste into our solid waste compactors and an unlimited amount of recyclables into our recycling containers.

**Q Will someone be there to help?**

**A** Yes. An attendant is located at every site to help you with your recycling and solid waste disposal needs.

**Q What items are not acceptable at the convenience centers and must be disposed at the St. Andrews Landfill?**

**A** The compactor transfer trailers cannot accept yard waste, masonry products, scrap metal and appliances, scrap tires, gas cylinders, liquid waste, furniture, construction & demolition debris, carpet/padding, animal carcasses, burned material(s) and contractor waste. The bulky items mentioned above can damage the integrity of the trailer, jam the sweeping blade or prematurely fill the trailers, thus possibly causing the convenience center to temporarily shut down until the trailer is replaced.

**Q Are there any disposal fees at the St. Andrews Landfill?**

**A** Yes. Residents are charged \$10.00 per pickup load (1/4 ton) at the landfill. Loads in excess

of this will be weighed and charged \$95 per ton for solid waste materials and \$50 per ton for yard waste materials (Effective July 1, 2024). Up to 5 passenger car/light truck tires may be disposed free of charge per load or \$190.00 per ton for excessive size tires & loads. In addition, appliances "white goods" such as refrigerators, freezers, washers, dryers, stoves, hot water heaters and air conditioners are accepted free of charge.

**Q How do I properly dispose and/or recycle Household Hazardous Waste (HHW)?**

**A** The County conducts multiple HHW collections events each year during the late summer and early fall at the St. Andrews Landfill. Items such as Gasoline, Gas/Oil Mixtures, Brake Fluid, Fuels, Acids, Cleaners, Solvents, Bleach, Ammonia, Pool Chemicals, Photography Chemicals, Household and Lawn Pesticides, Paint, Paint Thinners, Mercury Thermometers, and Wood Preservatives. Please call the Department of Public Works & Transportation or visit the website for an event schedule.

### ABOUT OUR COVER DESIGN

The 77th County Fair Catalog Cover was designed by **Delia Vallandingham**, an 8th grade student at **Margaret Brent Middle School**. Delia entered her drawing in the County Fair Catalog Cover Contest which is open to all St Mary's students grades 5 through 12. Delia will receive a \$200 prize check at the Queen of Tolerance Coronation Ceremony on opening night of the Fair. The drawing will also be used on the T-shirts that are given to volunteers and sold to Fair visitors. A roadside sign for the Fair will also be created using the design.

**Josephine Stewart**, a 9th grade student at **St. Mary's Ryken High School** was the second place winner. Her design will be used on the daily program which is handed to visitors at the Fair Gates. She will receive a \$100 check on opening night.

Honorable Mention was awarded to **Katherine Dyckman** and **Emily Hughes** from **Father Andrew White School**, **Hailey Hutmaker** of **Margaret Brent Middle School**, and **Nate Schumacher** of **Leonardtwn Middle School**. Their drawings are printed below.

## Thank You!

The St. Mary's County Fair Association Inc. is a volunteer organization dedicated to the celebration of our agricultural heritage through the presentation of the annual St. Mary's County Fair, and the year-round development and maintenance of the fairground facility. The Board of Directors of the St. Mary's County Fair Association gratefully acknowledge and appreciate the volunteer efforts of the many organizations and individuals, whose assistance is critical to the success of the County Fair:

Christmas in April, Lexington Park, Mechanicsville, and Hollywood Lions Clubs, the volunteer fire departments and rescue squads, Maryland State Police, St. Mary's County Sheriff's Department, public and parochial schools, University of Maryland Extension Educators and 4-H Clubs, St. Mary's

County Garden Club, and the Southern Maryland Antique Power Association all provide invaluable assistance each and every year!

The MANY faithful individual VOLUNTEERS who have given long hours of service to make the exhibits, programs, entertainment, buildings and grounds worthy of St. Mary's County. Many of these volunteers are listed throughout this catalog, but it is impossible to list all the important volunteers that register the exhibits, arrange the displays, and perform the many tasks that is required to have a successful fair. We hope you feel a sense of pride for a job well done!

And to the public, each one of you, for entering your exhibits and by your attendance at the fair. Without your participation, we could not have a County Fair!

- The service animal must be compliant with animal health regulations (i.e. current rabies vaccination).
- If the service animal, at any time while present on the fairgrounds, does not act appropriately (to include, but not limited to, barking, biting, disturbing, jumping on, harassing or frightening other patrons or other animals), said service animal will be removed immediately, by security, from the fairgrounds. If the service animal causes any kind of damage or injury, the handler is responsible for restitution.

## SCHOOL EXHIBITS

### Education Building Guidelines

All categories are open to public and nonpublic schools of St. Mary's County.

Principals, or their designees, are responsible for delivery and return of the exhibits. Exhibits must be entered between **8:30 a.m. and 4:00 p.m. on Tuesday, September 17, 2024**, of fair week. Exhibits must be picked up by the principals, or their designees, **between 8:30 a.m. and 4:00 p.m. on Monday, September 23, 2024**, after the close of the fair.

Teachers and students should select exhibits as an expression of the instructional program. Exhibits should be selected from instructional activities engaged in during the school year preceding the fair. Please do not submit any exhibits made from kits, such as "paint-by-number."

Exhibit space is limited. Each area is 40 inches in width to include tabletop, front drape, and back wall to tack strip. **THIS EXHIBIT AREA MUST HAVE A COVERED BACKING OF FABRIC DRAPE OR CONSTRUCTION PAPER.** Students' artwork will also have an additional area consisting of one art flat. Please adhere to the number of entries specified for each school level and the size requirements. Flat exhibits should be mounted on construction paper. Exhibits should be 9" x 12", 12" x 18", or 18" x 24". Exhibits such as quilts and murals may be displayed with prior approval from Todd Burroughs (301-475-5511, ext. 32246). Please be sure entries are properly marked or they will not be exhibited. Exhibits must be clearly labeled as to the school, name of student, and grade.

All categories are open to students in Grades PreK-12 and can include work from the **2023-2024** or **2024-2025** school year. Each school may submit three (3) projects in each of the following categories: science, social studies, mathematics, and music. Any art project that is larger than the stated size requires approval from Todd Burroughs prior to displaying. Each school may submit a total of 30 art projects. These projects may include but are not limited to works in paper, crayon, printing, drawing, painting, and mixed media. 3-D and craft items will be part of the tabletop display only. The art flats will not support 3-D or craft items.

Various school groups and organizations can help to make your display table; materials such as staples and large "T" pins can be used. No items may be stored under the table, due to vandalism, theft, and abuse.

School exhibits will not be judged. Certificates of Participation will be distributed to the schools for distribution to participating students. Each school should keep a list of their participating students.

# 2024 Maryland Animal Health Fair & Show Requirements

Ref: COMAR 15.11.14.06

The Maryland Department of Agriculture's (MDA), Animal Health Program strives to safeguard Maryland's animal industries at our fairs and shows. With an increased potential of disease transmission occurring when large numbers of animals gather for exhibition, MDA has set forth requirements for exhibitors to follow at Maryland fairs and shows. As an exhibitor, you can help reduce the potential risk of introduction and spread of infectious and/or contagious diseases by following the species-specific health requirements as below.

Maryland Law provides penalties for violations of Animal Health Law and Regulations.

## GENERAL REQUIREMENTS FOR EXHIBITORS OF ALL ANIMAL SPECIES

(COMAR 15.11.14.04-06)

**Exhibitors** at state, county, and district fairs, along with other livestock exhibitions, expositions, rodeos, shows, and swap meets are required to comply with regulatory provisions of the State of Maryland relating to animal health as noted in COMAR 15.11.14.04-06. **Requirements Apply to All Livestock and Poultry:** Livestock is defined as those species of animals used for human food or fiber or those species of animals used for service to humans. This includes but is not limited to cattle, sheep, New World camelids (llamas & alpacas), goats, bison, privately owned cervids, swine, equine, and rabbits. Livestock does not include dogs, cats, and exotic pets. **2. CERTIFICATE OF VETERINARY INSPECTION** is required for most entries.

**3. MARYLAND ENTRIES:** All Maryland entries must be accompanied by a Maryland Certificate of Veterinary Inspection (CVI) for show, except poultry, equine and rabbits.

a. The Maryland CVI is valid for 120 days for fairs and shows, providing that the status of the herd or animal(s) does not change.

b. The Maryland CVI is a legible record, made on an official Maryland State form, issued by a Maryland accredited veterinarian, issued for animals being shown within the state and not crossing a state line, which shows that the animals listed thereon meet the health requirements of the state of Maryland.

c. The Maryland CVI must be completed and signed by an accredited veterinarian using the properly selected report on the CVI form. Each animal must be properly identified on the CVI. The veterinarian must select if this document is for fair and exhibition season, sale or other (with explanation).

d. The veterinarian is required to send the original (white and canary) copies to MDA Headquarters within 7 days of completion, the middle (pink) transport copy is to be retained by the owner should accompany livestock during travel. The last (goldenrod) copy is for the veterinarian's records.

**4. SELF CERTIFICATION:** A completed *Self Certification* is required for all entries except for equine entering equine only events.

a. *Self-Certification forms must be filled out within 24 hours prior to loading* and presented upon request to the designated representative.

b. A *Self Certification* is an official Maryland document signed by the owner/caretaker/transporter stating that the animals presented for exhibition are not showing any signs of, or having recent exposure to (within 21 days) infectious or contagious diseases.

c. *Self-Certification forms* are species-specific for livestock (ruminants, swine), equine, poultry and rabbits. These forms are available on MDA's Animal Health website: <https://mda.maryland.gov/AnimalHealth/Pages/Fairs-Shows.aspx>

**5. TEST REPORT FORMS.** Testing is required for some species, and if so, a test report form will be required unless otherwise documented on the CVI. See species-specific requirements for details of testing and test report requirements.

The Poultry Premises number must be noted on the Test Report or other documentation of NPIP U.S. Pullorum-Typhoid and U.S. H5/ H7 Avian Influenza Clean or State H5/H7 Monitored status

**7. ANIMAL REJECTION POLICY.** Animals may be rejected from an exhibition, either denied entry or removed from the exhibition, as described below:

a. **FAILURE TO PROVIDE COMPLETED DOCUMENTATION IS GROUNDS FOR REJECTION.**

b. **FOR A SKIN LESION SUSPICIOUS OF RINGWORM TO BE CONSIDERED NO LONGER CONTAGIOUS TO OTHER ANIMALS OR PEOPLE, NEW WOOL OR HAIR MUST COMPLETELY COVER THAT LESION.**

c. Livestock with clinical signs of infectious or contagious diseases or external parasites are not permitted entry or allowed to remain at the exhibition. Clinical signs include but are not limited to active lesions of ringworm with resulting loss of hair, sore mouth, sore nose, caseous lymphadenitis, prolapse, mange, or multiple warts easily visible without close examination.

d. Suspicion of communicable disease is adequate grounds for rejection. Confirmed diagnosis is not required, since timely removal of suspicious animals is required by law to protect the remaining animals.

e. Exposed animals may be rejected: If it is believed that there is a potentially serious communicable disease present, all animals originating with the suspect animal may be rejected. Vesicular diseases are of particular concern.

f. All decisions are final.

g. All parties involved will be notified of all rejections, including exhibit sponsors and supervisors.

h. Animal rejections can be made by MDA Animal Health veterinarians or field inspectors, private veterinarians contracted by the show, Maryland Extension employees, or individuals designated by the fair or show as a 'responsible person.'

B/W and color matted printed photography (both film and digital) **NO FRAMES OF ANY TYPE ARE ACCEPTED**

The intent of this photography competition is to show to the county what we see with our “photographic eye” over the past year or so.

Entries will be accepted Wednesday prior to the fair from 1 to 8PM. First get your exhibitor number and entry tags at the Fair Stage Auditorium and fill them out for each print. If an exhibitor is eligible to put an entry in a Division they can enter **one print per Class in that division**. We want protect the pictures you print so all pictures must be mounted on a mat. We attach velcro tape to mount them on felt. We recommend standard size pictures and matted. The maximum entry can be 11x14 including the picture and mat. The minimum size entry is 5x7 including the mat. Prints smaller than a 5x7 must be matted to at least 5x7. Again no frames will be accepted. Entries maybe picked up Sunday evening between 6 and 8PM or the following day from 1 to 6PM. Do not pickup your prints early; it looks like stealing to the public and has caused problems. The Chairperson has the right to not exhibit any entry deemed inappropriate.

# BABY SHOW AND CUTE KID CONTEST

**Sunday, September 22, 2024 — 10 a.m. Fair Stage**

**Judging based on:** Beauty, Neatness and Personality. Girls and boys are judged separately for each class except twins. Since there are usually very few entries in the twins class, all ages, both girls and boys are judged in one class.

Each child will have a brief time on stage. They may be carried or escorted by an adult, depending upon the child's age. We realize it is difficult to judge personality in such a short time, especially with infants.

Each age group is scheduled for a specific time. Depending on the number of entries in prior classes, your child's class could be called later than scheduled. The time schedule is based on the number of entries in previous years. Please be patient and enjoy the beautiful babies. The child must be a St. Mary's County Resident.

## Prizes:

**First:** Trophy, Blue Ribbon, \$15.00

**Second:** Red Ribbon, \$10.00

**Third:** White Ribbon, \$5.00

**Fourth:** Yellow Ribbon

Winners in the Twins class will receive duplicate trophy and ribbon awards.

Contestants who do not win a prize will receive an Honorable Mention ribbon.

We appreciate the patience and good humor of the public and families of our contestants. It is a long day for everyone.

## SPEECH CONTEST

**Joie Samuelson, Chair**

Middle and High School students from St. Mary’s County public, private, and home schools, grades 6 through 12, are eligible to enter the Speech Contest held Friday at 2 p.m. in the Fair Auditorium.

There are two divisions: Junior (grades 6, 7, and 8) and Senior (grades 9, 10, 11, and 12). Each public, private, and home-school group may be represented by one student, contests are encouraged to determine representatives. Depending on the number of entries, however, two students per division may be entered, so selecting runners up is encouraged.

Students may choose any topic considered appropriate to our family audience. Speeches are expected to be original and written by the contestant, although sponsors and advisors may offer suggestions. Each speech must be at least three but no more than five minutes. Speeches will be judged on content, organization, and delivery. First-, second-, and third-place awards are given for each division.

High School and adult volunteers for judging, score keeping, and helping coordinate the contest are most cordially invited. Please contact the Chair if you’re interested or have questions.

**Timeline:**

**Tuesday September 17:** Registration due for schools’ speakers and, if selected, runners up.

**Friday September 20:** Speech Contest
